VERSE

Em G9
Let me feel your cold cold kiss
C Em
Upon my mortal skin
Em G9
Sink your fangs deep, my love
C Em
Let eternity begin

CHORUS

Am B7
Infect me with desire
Am B7
Set my blood on fire
Am B7 Em
Please be my vampire

By night you prowl foggy streets
In a shroud of magic mist
Taste the city's heartbeat
While I wait hungry for your kiss

CHORUS

BRIDGE in $\frac{3}{4}$

G D7
Take me in ever darker embrace
B7sus4 B7 C C#dim
Make me one of the vampire race
G D7
By your side I'll roam death's long night
B7sus4 B7 C C#dim
Taste me, tease me, drain me with delight

Should you ever feel alone
And curse your vampire luck
Make me your companion
In the dark eternal suck

RIDES ON VERSE AND CHORUS

Should you ever feel alone
And curse your vampire luck
Make me your companion
In the dark eternal suck
